Will Noonan, an employee of the machine shops in Moberly, got his right arm caught in the cog-wheels and the flesh was fearfully mangled. He will be disabled for quite a while.

What Shall We Have For Desert?

This question arises in the family every day. Let us answer it for you.

JELL-O.

A delicious and beautiful dessert. Prepared in two minutes. No boiling, no baking; add boiling water and set to cool. Flavors—Lemon, orange, raspberry and strawberry. Get a package at your grocers to-day. 10 cts.

Cornelius O'Brien, the old man tried in the Macon circuit court last week for poisoning a pond on the premises of John Mahoney in Russell township, was found guilty and sentenced to the penitentiary for two years. O'Brien is 78 years old. His attorneys tried to make it appear that the old man was insane, but the jury refused to believe that he was mentally unbalanced.

Ex-Attorney-General Churchill.

Writes in his characteristic way: "Mrs. Churchill has used your Dr. Kay's Renovator and been greatly benefited thereby. She had never been able to find any relief before for her stomach trouble. I believe this great remedy is worthy of the confidence of the people." At all druggists.

The Macon Republican used a large portion of its editorial page last week paying its respects to the editor of its loathsome contemporary, Col. J. J. Heifner. Space used in that way in a Republican newspaper is preferable to being devoted to the iniquitous policies of the Republican party in upholding a robber tariff and cut-throat trusts.

Mr. and Mrs. John Heifner of near Darksville fittingly celebrated their 50th wedding anniversary Tuesday, September 30, 1902. Mr. Heifner was born in Kentucky while she is a native of Randolph county. Her maiden name was Baker. Thirteen children were born of this union and eight of that number are still living, seven of the eight being present at the golden wedding of their parents. The living absent child was a son residing in Minnesota.

Do You Want to Yawn?

Feel cold shiverings, aching in the bones, lack of energy, headache and great depression? These symptoms may be followed by violent headache, high fever, extreme nervousness, a condition known as malaria. Herbine cures it. Take it before the disease gets a fair hold, though it will work a cure in any stage. J. A. Hopkins, Manchester, Kas., writes: "I have used your great medicine, Herbine, for several years. There is nothing better for malaria, chills and fever, headache, biliousness, and for a blood purifying tonic, there is nothing as good." 50c at H. M. Sigloch's.

Mrs. Elvira Reynolds, col. treasurer of one of Carrollton's negro lodges, put \$40 of the lodge's funds in a stove for safe keeping, but her daughter, not knowing the money was there, struck a match to the trash in the stove and one \$10 bill of the money was destroyed and another nearly so before the fire could be extinguished. The remainder of the \$40 was in silver and was saved in a blackened condition.

The house of Jonathan Lewis in South Huntsville caught fire from the summer kitchen about 4 o'clock Saturday morning and was entirely consumed. The

ANTI-BILIOUS MEDICINE,

In malarial districts their virtues are widely recognized, as they possess powerful properties in freeing the system from that poison. Elegantly sugar coated.

Take No Substitute.

IN OLD AGE the question of health becomes mainly a question of nutrition. If the stomach and other organs of digestion and nutrition are kept in a healthful condition there will be a well-nourished body, and little liability to disorders of the liver, bowels or such other disorders as may result from in-nutrition and lack of exercise.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition, and also diseases of other organs which are caused by the diseased condition of the stomach. By enabling the perfect nutrition of the body it increases the vital power and promotes a vigorous old age.

"I was a sufferer from chronic diarrhea for five years," writes Mrs. Mary A. Aaron, of Kola, Phelps Co., Mo. "I tried different remedies, which would give me relief for a short time only. My trouble would return as bad as ever. I consulted you in July, 1900, and by your advice commenced using Dr. Pierce's medicine. I took two bottles of the 'Golden Medical Discovery,' three vials of the 'Pellets,' and some of the 'Extract of Smart-Weed,' as you advised. I have not had any return of my trouble since using your medicine. Am now seventy-one years old and I never had anything to relieve me so quick. I think Dr. Pierce's medicine the greatest on earth. Should I ever have any return of my trouble shall use your medicine. My thanks to you for your advice and thanks to Almighty God for restoring me to health through your hands."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets, the best laxative for old people. They cure constipation and biliousness.

family barely had time to escape, as they were fast asleep in the burning building when the alarm was given by trainmen. Mr. Lewis carried \$500 insurance on the house and household goods.

His Life in Peril.

"I just seemed to have gone all to pieces," writes Alfred Bee, of Welfare, Tex., "biliousness and a lame back had made life a burden. I couldn't eat or sleep and felt almost too worn out to work when I began to use Electric Bitters, but they worked wonders. Now I sleep like a top, eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run-down people. Try them. Only 50c at W. C. Gaston's drug store.

Go Like Hot Cakes.

The COURIER extends its sincere sympathies to Cornelius DeWeese of Kansas City, Kas., in the death of his wife. Mr. DeWeese moved to Kansas City, Kas., from the vicinity of Indian Grove some months ago, where Mrs. DeWeese died Friday, Sept. 26. Her remains were brought back and laid to rest in Powell cemetery. A husband, one daughter and two sons are left to mourn her death.

Ben Boyd, the negro hailing from Indian Territory, who struck Ed Turner, col., a fellow-miner, on the head with a pick in the entry of a coal mine at Ardmore three or four weeks ago, had his trial in the Macon circuit court last week, but the jury was unable to agree. Boyd was finally permitted to plead guilty to common assault and was fined \$20 and costs. He was overjoyed, and attributed his good fortune in escaping a sentence to the penitentiary to his faith in the Lord. But he had better not repeat his murderous assaults too often or the Lord will give him to go by.

Rev. J. M. McManaway and wife of Fayette celebrated their twentieth wedding anniversary Thursday.

Henry Tillman of Glasgow lost a valuable cow Wednesday by being struck by a train while crossing a railroad switch.

The Price hotel at Glasgow is undergoing repairs and will be refurnished throughout. A. B. Price will again take charge November 1.

If the chigger were bigger—say the size of a crow; and his digger had a vigor like a sub-soiler plow—can you figure, picnicker, where you are now?

Beautiful Complexions

Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver in good order. An occasional dose of Herbine will cleanse the bowels, regulate the liver, and so establish a clear, healthy complexion. 50c at H. M. Sigloch's.

The editor of the Nelson News, from the depths of his soul, sends out this appeal: "Read, reflect, repent, regret and then pay up your subscription. If you can't pay cash we will cheerfully take wood, corn, hay, cured meat, chickens, eggs, yarn socks, hickory-nuts or any other old thing."

Orphans' Home.

The Christian Home Orphanage at Council Bluffs, Iowa, now shelters several hundred. Its founder and manager, Rev. J. G. Lemen, writes: "I have tested the merits of Dr. Kay's Renovator and Dr. Kay's Lung Balm in the Christian Home Orphanage and have found them to be all that they claim for them. Sold by all druggists."

P. O. Brooks of near Fayette had a narrow escape from being gored to death by an infuriated bull Wednesday morning. Mr. Brooks was walking around in the lot when the animal rushed at him, knocked him down and would have killed him had he not grabbed the ring in its nose and turned its head away, thus managing to make his escape.

Harry Markham, cashier of Wheeler's Savings bank at Brookfield, and John Jones had a fist encounter in the bank last Friday morning, but were separated before either was seriously hurt. The trouble arose over Markham's refusal to let Jones have a canceled draft which he wanted to use as evidence in a suit against his father-in-law, L. S. Denyes of California.

The Sanders telephone line, says the Mendon Citizen, which extends from Mendon east to Mike, is now in full blast. This line connects with several lines in the eastern part of the county. The company is now at work constructing a line from J. M. Sanders' to Brunswick by the way of Indian Grove. This line is a

When pain or irritation exists on any part of the body, the application of Ballard's Snow Liniment will give prompt relief. You can always make a woman believe that you love her if you can keep on saying it without letting her see how tired it makes you to do it.

It takes a woman to let a man look her over as if she were a piece of statuary and pretend she didn't know he was in the same room with her.

It is reported that a company capitalized at \$20,000 is to be organized for the purpose of purchasing Randolph Springs.

The Salisbury Press-Spectator speaks of "a wringer of note." It is to be hoped the P.-S. did not refer to its pet, Sam B. Elliott, although Sam is known to have "written some notes."

The Prairie Hill Mascot has been moved to Dawn, Livingston county, by its editor and proprietor, J. A. Graves, where he hopes the Mascot will prove truer to its name than it did at Prairie Hill.

The Salisbury Democrat tells its readers that "James Packer was found out dead in a pasture, near Sumner, last Saturday." But it was just as fatal to Mr. Packer as though he were "found in" dead.

America's Famous Beauties

Look with horror on Skin Eruptions, Blotches, Sores, Pimples. They don't have them, nor will any one, who uses Bucklin's Arnica Salve. It glorifies the face. Eczema or Salt Rheum vanish before it. It cures sore lips, chapped hands, chilblains. Infallible for Piles. 25c at W. C. Gaston's drug store.

The Salisbury Democrat tells of the misfortune of Wm. Abeln who had the legs of two of his horses badly skinned and bruised by falling through a bridge between the residence of J. K. Erickson and the old Salisbury creamery building. Luckily, enough men were near at hand to rescue Mr. Abeln's team or the damage would have been much more serious.

The Salisbury Press-Spectator, after discovering that it was being conspired for its fawning article in regard to Sam B. Elliott in its issue of Sept. 26, now claims that the article was contributed, but it doesn't give the contributor's name, nor did the P.-S. publish the article as a contribution so far it bore any ear-marks. Perhaps the editor means that he got a "contribution" for publishing it. Further explanations are in order.
